

Census Self-Response Rates by County: 2020 vs 2010

Yellow-to-red: larger share of homes must be counted by census takers (as of 7/29/20 vs 2010)

Percentage points behind 2010 rate

- 10 or more points behind 2010 rate
- 5-10 points behind
- Up to 5 points behind
- 2020 response rate above 2010 (but remaining % still high in many counties)
- No self-response in 2010 b/c all households counted in person. See HTC 2020 map for current response rates.
