This page is intended for states and hospitals looking for ideas, resources and tools related to activities under the Small Rural Hospital Improvement Grant Program (SHIP). Resources are organized to align with the SHIP Purchasing Menu into the three key focus areas:

- Accountable Care Organizations (ACOs) or Shared Savings investment activities that support the development or basic tenets of ACOs or Shared Savings Programs
- Prospective Payment System (PPS) or Payment Bundling (PB) investment activities that improve hospital financial processes
- Value-Based Purchasing (VBP) investment activities that support improved data collection to facilitate quality reporting and improvement
